Background

The Assistant Executive Officer of the Regional Water Quality Control Board, San Diego Region (San Diego Water Board) has issued an Administrative Civil Liability (ACL) Complaint pursuant to California Water Code Section 13350 (Water Code) against Eastern Municipal Water District (Discharger) for violation of Prohibitions contained in San Diego Water Board Order No. R9-2000-0165, by discharging 2.39 million gallons of untreated sewage from the Temecula Valley Regional Water Reclamation Facility (TVRWRF) on December 25-26, 2009. The Complaint proposes that administrative civil liability in the amount of \$1,035,310 be imposed as authorized by Water Code section 13350. Unless the Discharger waives its right to a hearing and pays the proposed liability, a hearing will be held before the San Diego Water Board during its meeting of **October 13, 2010**, in San Diego.

The purpose of the hearing is to receive relevant evidence and testimony regarding the proposed ACL Complaint. At the hearing, the San Diego Water Board will consider whether to adopt, modify, or reject the proposed assessment.

The public hearing on **October 13, 2010**, will commence as announced in our San Diego Water Board meeting agenda. The meeting will be held at the Rancho California Water District Board Room at 42135 Winchester Road, in Temecula, CA. An agenda for the meeting will be issued at least ten days before the meeting and will be posted on the San Diego Water Board's web page at: www.waterboards.ca.gov/sandiego.

Separation of Functions

To help ensure the fairness and impartiality of this proceeding, the functions of those who will act in a prosecutorial role by presenting evidence for consideration by the San Diego Water Board (Prosecution Staff) have been separated from those who will provide advice to the San Diego Water Board (Advisory Staff). Members of the Advisory Staff are: Jessica Newman and Catherine George Hagan, Staff Counsel with the State Water Resources Control Board's Office of Chief Counsel, and David Gibson, Executive Officer.² Members of the Prosecution Staff are: Shannon Chambers, Senior Staff Counsel, James Smith, Assistant Executive Officer, Jeremy Haas, Senior Environmental Scientist of the Compliance Assurance Unit, Christopher Means, Environmental Scientist, and Olufisayo Osibodu, Water Resource Control Engineer.

Ex Parte Communications

The designated parties and interested persons are forbidden from engaging in *ex parte* communications regarding this matter with members of the Advisory Staff or members of the San Diego Water Board. An *ex parte* contact is any written or verbal communication pertaining to the investigation, preparation, or prosecution of the ACL Complaint between a member of a designated party or interested party on the one hand, and a San Diego Water Board member or an Advisory Staff member on the other hand, unless the communication is copied to all other designated and interested parties (if written) or made at a proceeding open to all other parties and interested persons (if verbal). Communications regarding non-controversial procedural matters are not *ex parte* contacts and are not restricted. Communications among the designated and interested parties themselves are not *ex parte* contacts.

Hearing Time limits

To ensure that all participants have an opportunity to participate in the hearing, the following time limits shall apply: each designated party shall have a combined 20 minutes to present evidence, cross-examine witnesses (if warranted), and provide a closing statement; and each interested person shall have 3 minutes to present a non-evidentiary policy statement. Participants with similar interests or comments are requested to make joint presentations, and participants are requested to avoid redundant comments. Participants who would like additional time must submit their request to the Advisory Team so that it is received no later than ten days after all of the evidence has been received (**September 22, 2010**). Additional time may be provided at the discretion of the Advisory Team (prior to the hearing) or the San Diego Water Board Chair (at the hearing) upon a showing that additional time is necessary.

² If additional staff are assigned to the Advisory Team, the parties will be notified and *ex parte* communication provisions will apply as to additional staff also.

Submission of Evidence and Policy Statements

The following information must be submitted in advance of the hearing:

1. All evidence (other than witness testimony to be presented orally at the hearing) that the Designated Party would like the San Diego Water Board to consider. Evidence and exhibits already in the public files of the San Diego Water Board may be submitted by reference as long as the exhibits and their location are clearly identified in accordance with Title 23, CCR, Section 648.3.
2. All legal and technical arguments or analysis.
3. The name of each witness, if any, whom the designated party intends to call at the hearing, the subject of each witness' proposed testimony, and the estimated time required by each witness to present direct testimony.
4. The qualifications of each expert witness, if any.
5. (Discharger only) If the Discharger intends to argue an inability to pay the civil liability proposed in the Complaint (or an increased or decreased amount as may be imposed by the San Diego Water Board), the Discharger should submit supporting evidence as set forth in the "ACL Fact Sheet" under "Factors that must be considered by the Board."
6. (Discharger only) If the Discharger would like to propose a Supplemental Environmental Project (SEP) in lieu of paying some or all of the civil liability in accordance with the State Water Board's Water Quality Enforcement Policy, the Discharger shall submit a detailed SEP proposal including a specific implementation timetable.

The Prosecution Team shall submit two hard copies of the information to Jessica Newman, Advisory Team Counsel, so that it is received no later than 5 p.m. on **September 2, 2010**.

The remaining designated parties shall submit 20 hard copies and one electronic copy of the information to Jessica Newman, Advisory Team Counsel, so that they are received no later than 5 p.m. on **September 22, 2010**.

In addition to the foregoing, each designated party shall send (1) one copy of the above information to each of the other designated parties by 5 p.m. on the deadline specified above.

Interested persons who would like to submit written non-evidentiary policy statements are encouraged to submit them to Jessica Newman, Advisory Team Counsel, as early as possible, but they must be received by **September 30, 2010**, prior to the hearing.

Interested persons do not need to submit written comments in order to speak at the hearing.

In accordance with Title 23, California Code of Regulations, Section 648.4, the San Diego Water Board endeavors to avoid surprise testimony or evidence. Absent a showing of good cause and lack of prejudice to the parties, the San Diego Water Board may exclude evidence and testimony that is not submitted in accordance with this hearing procedure. Excluded evidence and testimony will not be considered by the San Diego Water Board and will not be included in the administrative record for this proceeding. Power Point and other visual presentations may be used at the hearing, but their content may not exceed the scope of other submitted written material. A copy of such material intended to be presented at the hearing must be submitted to the Advisory Team at or before the hearing³ for inclusion in the administrative record. Additionally, any witness who has submitted written testimony for the hearing shall appear at the hearing and affirm that the written testimony is true and correct, and shall be available for cross-examination.

Request for Pre-hearing Conference

A designated party may request that a pre-hearing conference be held before the hearing in accordance with Water Code Section 13228.15. A pre-hearing conference may address any of the matters described in subdivision (b) of Government Code Section 11511.5. Requests must contain a description of the issues proposed to be discussed during that conference, and must be submitted to the Advisory Team, c/o Jessica Newman, counsel, with a copy to all other designated parties, no later than 5 p.m. on **September 22, 2010**.

Evidentiary Objections

Any designated party objecting to written evidence or exhibits submitted by another designated party must submit a written objection to Jessica Newman, Advisory Team Counsel, so that it is received by 5 p.m. on **September 22, 2010** with a copy to all other designated parties. The Advisory Team will notify the parties about further action to be taken on such objections and when that action will be taken.

Evidentiary Documents and File

The Complaint and related evidentiary documents are on file and may be inspected or copied at the Regional Board office at 9174 Sky Park Court, Suite 100, San Diego, CA 92123. This file shall be considered part of the official administrative record for this hearing. Other submittals received for this proceeding will be added to this file and will become a part of the administrative record absent a contrary ruling by the Regional Board Chair. Many of these documents are also posted on-line at

³ Each Regional Water Board may choose to require earlier submission of all visual aids by all parties. OE prefers early submission of visual aids, so that they have time to confirm that the aids do not go beyond the scope of previously-submitted evidence.
